What is MU Connect?
MU Connect is a one-stop shop that provides you with access to schedule meetings with people (i.e. your academic & financial aid advisors, residential life hall coordinator, and instructors, etc.) and service areas across campus with just a few simple clicks. MU Connect is live 24/7 so there is no need to send multiple e-mails or wait until offices are open.

How do you access MU Connect?
1. Login to MU Connect using your pawprint and password.
   (muconnect.missouri.edu)
2. Search for a person or service using your “My Success Network” to schedule a meeting.
   - MU Connect’s “My Success Network” lists resources specific to you.
   - See available meeting times by choosing “Schedule Appointment.”

Why should you use MU Connect?
- Don’t have time to walk to an office to schedule a meeting? You have 24/7 access to schedule an appointment with people and services via the “My Success Network” whenever it’s convenient for you.
- Need to edit or cancel an appointment? Appointments are simple to update. Simply click on the clock symbol on your appointment and select Edit. Your MU e-mail account will be notified of the appointment change.
- Want to provide information in advance of your meeting? When scheduling, you can communicate the reason for the appointment and share additional details prior to the meeting.
- Need an appointment reminder? Don’t worry. You receive appointment notifications regarding upcoming meetings that are scheduled through MU Connect via your MU e-mail account.
- Did you receive a Flag or a Kudo? Instructors use the MU Connect Early Alert tools to send feedback about your academic performance. If you receive feedback from your instructor, take action immediately.
